

Graduation June 27, 1989

Congratulations! Your graduation tonight is the crowning event in your education at Kwantlen. It is the celebration of your achievement through hard work and study. From this moment forward, you will gain from your efforts, going on to further accomplishments in your careers and studies.

On behalf of the College, I wish you a bright and successful future. We hope you will continue to keep in touch. We share great pride in your achievement.

A handwritten signature in black ink, appearing to read "A. MacLaughlin". The signature is fluid and cursive, with a large initial "A" and a long, sweeping underline.

Adrienne MacLaughlin
President

Graduation Procedure

Parents and friends are requested to rise when the graduates' procession enters. The assembly is requested to remain standing until the conclusion of the singing of O Canada.

After the graduation address, the graduates only will rise for the general presentation. After this ceremony they will resume their seats. The graduates will then be called and presented for the awarding of diplomas, certificates and citations.

It is suggested that the audience refrain from applause until the awards have been made to each class.

Convocation will conclude with the recessional of the platform party, faculty and graduates, during which everyone is requested to remain standing.

O Canada

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.
