MOTION CARRIED

The Education Council Chair summarized the approach she intends to take during the 2000/2001 year in chairing Education Council:

- Increase communication between the members and their constituent groups
- Increase sub-committee presence in the University College
- Focus on both issues and processes

Education Council held elections for their executive. Linda Condell , a student councillor, was elected Vice Chair and Ihor Pona, an Applied Design instructor, was elected as Member-At-Large.

President's Report

- **Cloverdale**
The Vice President of Ventures and Finance reviewed progress on the development of the Cloverdale campus. A Memorandum of Understanding with the Ministry of Advanced Education, Training and Technology and the Ministry of Finance has been signed. Kwantlen will now undertake the development of a capital request for the construction of the campus, which is a complete replacement for the Newton campus.
- **Banking Consortium**
The Vice President of Ventures and Finance advised the Board that the Banking Consortium has been shelved.
- **Human Resources Report**
The Human Resources Report was received as presented.
- **College Print**
Skip Triplett clarified why retiring elected Board Members were given specially designed plaques to commemorate their Board service instead of the university college print provided to retiring appointed Board Members. The print is awarded to people retiring from the Kwantlen University College. When appointed Board Members retire from the Board, they also retire from Kwantlen. Elected Board Members, thus far, have not retired from Kwantlen when they have retired from the Board. Therefore, special plaques were designed to recognize their important and valuable service to the Board.

- **Senior Leadership Team Planning Retreat**

The Senior Leadership Team held a planning retreat on September 21 where the vision and issues expressed in the welcome back presentation and a number of issues from the Board's spring retreat were discussed.

- **President's Update**

The President's Community Activities for the month of September is submitted for information.
