

KWANTLEN COLLEGE
GRADUATION CEREMONY
1991

A MESSAGE FROM THE PRESIDENT

MAY 30, 1991

Congratulations! Your graduation from Kwantlen College is a wonderful achievement. It is the ultimate reward for your dedication to your studies. It is also a tribute to your perseverance to organize your personal life – perhaps a job, a family and other responsibilities – while fulfilling your educational goals.

Education gives tremendous personal satisfaction. It brings growth and new rewards. I hope the time you have spent in your studies at Kwantlen College has been meaningful and enjoyable whether your area has been university studies, career preparation, vocational, trade or technical training.

On behalf of your instructors and the Kwantlen College community, may I say how proud we are of your accomplishment.

A handwritten signature in cursive script that reads "A. MacLaughlin". The signature is written in dark ink and is positioned above the printed name.

*Adrienne MacLaughlin
President, Kwantlen College*

GRADUATION PROCEDURE

Parents and friends are requested to rise when the graduates' procession enters. The assembly is requested to remain standing until the conclusion of the singing of O Canada.

After the graduation address, only the graduates will rise for the general presentation. Following the presentation, they will resume their seats. The graduates will then be called and presented for the awarding of diplomas, certificates and citations.

It is suggested that the audience refrain from applause until the awards have been made to each class.

Graduation will conclude with the recession of the platform party, faculty and graduates, during which everyone is requested to remain standing.

O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.
