*Kwantlen
University College*

1981 – 1998

Kwantlen University College is B.C.'s largest university college. As such, we are proud that we have grown not only in size, but also in reputation. This is due in large part to you, our students and graduates, as you reflect the skill, strength and diversity of your education, your families and your communities.

As one of only two university colleges in the Lower Mainland, the provincial government has given us authority to grant both honorary and undergraduate degrees. This is the second year that Kwantlen University College is proud to confer degrees on graduates of the Bachelor of Applied Design in Interior Design. Congratulations on your considerable accomplishment!

We are pleased to announce that three more degrees are coming to Kwantlen this fall: a Bachelor of Business Administration in Entrepreneurial Leadership; a Bachelor of Science in Nursing and a Bachelor of Technology in Information Technology. We look forward to conferring these degrees in the near future.

Kwantlen is also proud to offer a wide variety of career, technical, trades and other programs. We are here today to celebrate the achievement of all our graduates, who through perseverance, hard work and sacrifice, have completed their training and studies. Congratulations, and a warm welcome to Graduation 1998!

Graduation Procedure

Parents and friends are requested to rise when the graduands' procession enters. The assembly is requested to remain standing until the conclusion of the singing of O Canada.

After the graduation address, only the graduands will rise for the general presentation. Following the presentation, they will resume their seats. The graduands will then be called and presented for the awarding of degrees, associate degrees, diplomas, certificates and citations.

It is suggested that the audience refrain from applause until the awards have been made to each class.

Graduation will conclude with the recession of the platform party, faculty, and graduates, during which everyone is requested to remain standing.

O CANADA

☞ O Canada! Our home and native land!
True patriot love in all of us command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.

Acknowledgments

Kwantlen University College would like to thank the many donors who, through their generosity and support of scholarships, awards, libraries and programs, have enabled deserving and dedicated students to complete their post-secondary education.

We would also like to thank our many dedicated faculty and staff who support our students in so many ways. Some put in countless hours to help build our scholarship and awards funds; others give to our Buy-a-Book campaign to help build resources for our libraries. This commitment to excellence by our faculty and staff ensures that our students have these resources available to them.

We would like to take this opportunity to extend a very special thanks to all those who give to our students — including their families — in so many ways. We couldn't do it without you.

✦ *While every effort is made to ensure the accuracy of information in this program, Kwantlen University College apologizes for any omissions or errors that have been inadvertently missed.*
