

Graduation May 31, 1990

Congratulations! Your graduation from College is a wonderful achievement. It is the ultimate reward for your dedication to your studies. It is also a tribute to your perseverance--to organize your personal life--perhaps a job, a family and other responsibilities while fulfilling your educational goals.

Education gives tremendous personal satisfaction. It brings growth and new rewards. I hope the time you have spent in your studies at Kwantlen College has been meaningful and enjoyable whether your area has been university studies, career preparation, vocational or technical training.

On behalf of your instructors and the Kwantlen College community, may I say how proud we are of your accomplishment.

A handwritten signature in cursive script, appearing to read "A. MacLaughlin".

Adrienne MacLaughlin
President

Graduation Procedure

Parents and friends are requested to rise when the procession of graduates, faculty and platform party enters. The assembly is requested to remain standing until the conclusion of the singing of O Canada.

Once the presentation of awards has been completed, the graduates only will rise for the general presentation of candidates. After the presentation they will resume their seats. The graduates will then be called by name and presented to the President and Chairman of the College Board.

It is suggested that the audience refrain from applause until the awards have been made to each class.

Convocation will conclude with the recession of the platform party, faculty and graduates, during which everyone is requested to remain standing.

O Canada

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and Free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.
