

GRADUATION

SUMMER 1986

On behalf of the College we would like to congratulate all graduates on the successful completion of your studies at Kwantlen. We are confident that you have been well prepared by our faculty and by your diligence to meet the challenges and opportunities that will open up for you as you pursue your future. We trust that your learning experiences were enjoyable, even if strenuous, and that you will continue to maintain your contact with Kwantlen.

A. Wilkinson
President

GRADUATION PROCEDURE

Parents and friends are requested to rise when the graduates' procession enters. The assembly is requested to remain standing until the conclusion of the singing of O Canada.

After the Graduation Address, the graduates only will rise for the General Presentation. After this ceremony they will resume their seats. The graduates will then be called and presented for the awarding of Diplomas, Certificates, and Citations.

It is suggested that the audience refrain from applause until the awards have been made to each class.

Convocation will conclude with the recessional of the platform party and graduates, during which everyone is requested to remain standing.

O Canada

O Canada! Our home and native land!
True patriot love in all thy sons command,
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.
